Purpose of the Annual Parish Meeting

The purpose of the meeting is for the Parish Council to explain what it has been doing over the past year, and enables electors and local community organisations and groups, to have their say and express anything they consider to be of importance to the people of the Parish.

The Annual Parish Meeting is a meeting of all the electors or residents of the parish. It is not a Parish Council meeting. Anyone may attend and electors of the Parish may vote on recommendations to take to the Parish Council for consideration.
